# Fitness Spa Inground

All-in-one.

## USABILITY

The standout option for the Fitness hot tub, is the Fitness pack, which consists of:

**Pole and harness:** an accessory for swimming. This accessory is easily installed on the surface of the hot tub. This means that you can swim comfortably without having to worry about moving forwards.

**Elastic bands:** an accessory to perform various fitness exercises. These are installed using the hot tub's stainless steel bars.

**Oars:** an accessory to exercise the upper torso area. This consists of two oars installed on the wall of the hot tub, with elastic bands that allow you to adjust the tension.
